**Subject:** Microsoft Settlement

To Whom it May Concern:

I am pleased to have this opportunity to comment on the proposed Microsoft settlement.

I do not support the settlement in its current form. I believe the remedies included in the settlement are woefully inadequate to protect the public from further abuses of Microsoft's monopoly position. An effective settlement needs to include much farther reaching limits on Microsoft's behavior and punishment for its previous anti-competitive practices.

Please reject the settlement as it now stands.

Sincerely,
